Installation Instructions

Retrofit Kit for Pre '98 Husky Closers

Cat. No. CRL8010RK4 (Fits in 4" Header)
Cat. No. CRL8010RK45 (Fits in 4-1/2" Header)

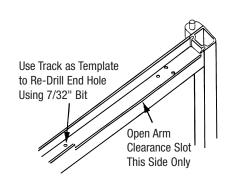

- 8. Drill and countersink two new holes in the Cover Plate to align with the two corresponding holes in the Retrofit Closer Hanger Bracket. Depending on the replacement Door Closer being used, new adjustment screw holes may be required in the cover plate (check and drill if necessary).
- 9. Attach Cover Plate using existing 8 x 3/8" Flat Head Sheet Metal Screws and supplied 10-24 x 1/2" Flat Head Thread Cutting Screws.
- 10. For butt hung or offset pivot installations, see Door Rail Notch Modification on reverse side.
- 11. Install Closer Arm as required.
- 12. Install Door Stop if required.
